

STUDENT RIGHTS CHARTER

"We, the students, have the right to participate in the decisions that shape our education"

This Charter highlights the general principles and guarantees related to the students' participation in all its dimensions. The purpose is to promote the empowerment of students in the exercise of their rights.

Universities, Finland

Equality and Inclusion

You have the right to

As described in Government/Management, student unions in Finland are self-governing and represent students' interests and rights within the university and larger community. Quote from the Universities

This Charter is part of the project entitled Students Participation Without Borders (STUPS), a project co-funded by the Erasmus + Programme of the European Union. The content of this publication is the sole responsibility of the authors ([National Union of University Students in Finland](#)), and in no way represents the view of the European Commission or its services.

Act: “A student union consists of the students of a university and is self-governing. The student union liaises with and on behalf of its members and promotes their societal, social and intellectual aspirations and those relating to studies and the status of students in society. The student union also participates in the implementation of the educational mission of the university, referred to in section 2, by preparing students for an active, informed and critical citizenship.”

“The student union’s decision-making power is vested in its executive board and the student parliament. Provisions on other bodies of the student union and the election of their members are issued by government decree. Provisions on the administration of the student union are laid down in the rules adopted by the student parliament and confirmed by the rector of the university.”
